Later Magic

(undated, circa 1920)

Called the "Magic Trilogy" in the *Findlay and Sawyer book*, unlike the 1893 *Hoffmann book*, they are about magic (but also fun reading for puzzle enthusiasts). *Modern Magic* is the most published of the three; on the left below is the dust cover from a circa 1920's edition and on the right the cover of a 1978 soft-cover edition:
