The I-X-L Puzzle Book

READ DOWN AND UP

Read see   that me   but   not   my   got
Up   shall I   love if   me   love for-
And   you   love you   that love for   be
Down and   you   if   you   do   you   shall

FROM FAHRENHEIT TO CENTIGRADE AND BACK

100 centigrade is 212 Fahrenheit. To arrive at this result we deduct 32 from 212 Fahrenheit, then multiply by 5, and divide by 9.

$$\begin{array}{r} 212 \\ -\ 32 \\ \hline 180 \\ \times\ 5 \\ \hline 9\,|\,900 \\ \hline 100\ C. \end{array}$$

Now to change Centigrade to Fahrenheit we invert the mathematics. We multiply 100 Centigrade by 9, divide by 5, and add 32.

$$\begin{array}{r} 100 \\ \times\ 9 \\ \hline 5\,|\,900 \\ \hline 180 \\ +\ 32 \\ \hline 212\ F. \end{array}$$

A COXCOMB

Add 100 and nothing to 10. Add 100 and nothing to 1000. Now catch a bee. Put him at the end of all, and the whole will stand for one that is stung, if you guess right. C O X C O M B.

MATCHES, SQUARES AND ANGLES

Take Nine Matches and Make Five Triangles.

Take 24 Matches and Make Nine Squares.

Remove 8 Matches, so that Two Squares remain:

Make 6 Squares out of 17 Matches:

Take 5 Matches, and leave Three Squares:
