

Stickman Milestone Puzzle Book

Copyright Robert Yarger; edited by Matthew Dawson 2012.
(softcover book in 9" x 11" x 7/8" puzzle frame)

A catalog of the "Stickman" puzzles designed and made by Robert Yarger, that commemorates the 25th numbered design and 1000th puzzle made. It includes a 5 page history of the Stickman puzzles followed by descriptions of the puzzles, and ending with solution summaries and a table of puzzles produced. The frame around the book is a puzzle itself, which is shown below coming apart (a limited *Milestone Edition* came with a complex puzzle frame around this frame):
