

Make A Dice

a.k.a. Spots Puzzle

St. Pierre & Patterson Mfg. Co. 1957.

(cardboard tray and nine 2 x 5/8 inch square red wood bars with recessed white dots; shown as the "Spots Puzzle" on pages 98-99, 130-131 of the 1893 *Hoffmann book*)

Assemble nine 1x1x3 unit bars into a die; from left to right in the photo above, the dots are:

1. no dots	6. top left & right
2. left end	7. top left & right, end left & right
3. top center	8. top left & right, end left & right, front right
4. top center	9. top left & right, end left, front left & right
5. top left, end right	

Here are close-up views of portions of the back of the box:
