Welcome 01/17/2008 10:44 PM

## 萨萨姆罗萨姆姆

This website stems from a pentomino project which was started in the former T.I.D. Ronse, Belgium (now <u>K.S.O. Glorieux Ronse</u>) in 1999.

The project has mainly been developed by secondary school pupils from the 2nd, 3rd and 4th years in their Maths and Technological Education lessons and in their leisure.

## 

Our website is still growing thanks to our webmasters:

## Present webmaster Maarten Wemel

School year 2004-2005: student 3rd year Electriciteit-Electronica

Age: 14

School: K.S.O. Glorieux Ronse (Belgium)

Previous webmasters

Wouter Wemel

<u>Casper Verbuyst</u>
