

Camouflage Cube 3x3x3

Made in China by WitEden, 2012.

(plastic, 2.25" square;

white opposite yellow, green opposite blue, red opposite orange)

Looks at first like a *Rubik 3x3x3* cube with unequal sections; but turns so as to realign the center planes in a way that causes shape to change quickly; here are three successive 90 degree turns:
