

Geared Mixup

Designed by Oskar van Deventer, purchased from Mefferts, 2014.

(plastic, 2.25" square;

black body: red opposite white, yellow opposite orange, green opposite blue;

white body: red opposite black, yellow opposite orange, green opposite blue)

This geared 2x2 type cube allows 90 degree turns and quickly gets very messy. Starting with the orientation shown above, here is a 90 degree turn of the right side followed by a 90 degree turn of the front:
