

# Pyraminx Crystal

*Made by Mefferts 2008.*  
(plastic, in both black and white bodies, 3.5 inches)

Twelve axes of rotation in a similar theme to the *Megaminx*, but different because here, each of the twelve faces is rotated along a plane that passes through the center of the puzzle. The six faces shown above are *orange, green, blue, purple, brown, and white*; as shown below, opposite these faces are the colors *teal, dark green, dark blue, pink, burgundy, and yellow*:

*Jaap's Page* presents a solution.
