

Rubik 3x3x5 X

Designed by Aleh, Tont, & Eveniy, purchased from Mefferts 2013.

(plastic 3.75" x 3.75" x 2.25";

red across from orange, blue across from green, yellow across from white)

One of a number of generalizations sold of *Rubik 3x3x5*. Unlike the standard 3x3x5 shape or the big brother of this puzzle, the *Rubik 3x3x5 Cross*, the shape of the puzzle can change quickly; below are three successive 90 degree clockwise rotations:
