

Starburst

a.k.a. *Star of David, Sterns Puzzle*
*Patented by I. Goldfarb 1985 and B. H. Apsan 1995,
custom made by EBay member jamf55 in Spain 2007.*
(plastic, 2.5 inches)

This puzzle is like a *Pyramorphix* with a pyramid glued to the center of each of its faces, and the same solution sequences can be used; the colors on this one are arranged so that it is solved when the planes induced by the pyramids each are a single color. Here is a photo of the other sides:
