

# Teraminx

*Made by Cube 4 You (C4U), 2010.*

(plastic, 4" between opposite faces, 4.8" between farthest points)

An even larger version of the *Megaminx* than the *Gigaminx*; twelve sides of distinct colors each have three layers that can be rotated.

On opposite sides the colors are:

white (with C4U logo in center) opposite brown

yellow opposite aqua

blue opposite light blue

purple opposite pink

light green opposite dark green

orange opposite red
