

Get My Goat

a.k.a. *Katch the Kaiser, Katch The Kron Prinz, Boogie Man, Center Point, ...*
Patented by J. Wiley October 6, 1914.

(left: 2.9" x 3.75" x 7/16" cardboard box and 11 wood pieces 1/4" thick;
 right: 2.9 by 3.75 by 3/8 inch cardboard box and 11 cardboard pieces 3/16" thick;
 both box tops say "OFFICE 1058 BROAD ST. PROV. R.I. PAT. OCT. 6, 1914";
 solution sheet of the red version says "Rust Craft Publishers, Inc., Boston, MA.";
 shown on plate 6 of *Hordern's* book and page 134 of the *Fifteen* book;
 similar to but a bit harder than the *Bull's-Eye* puzzle)

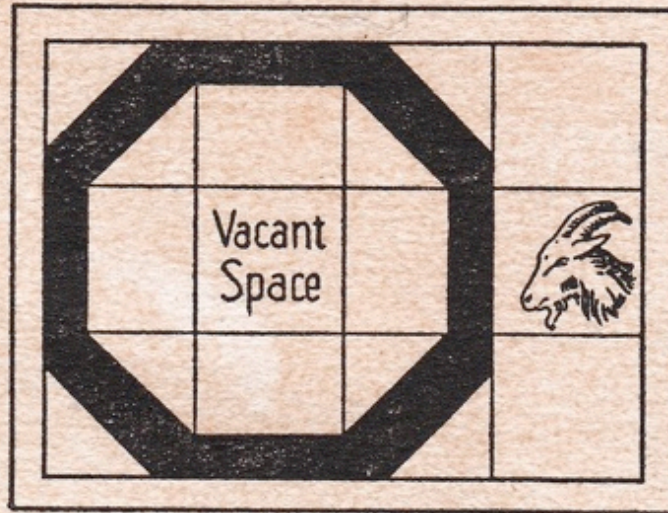

There are one 1x2 piece (in the upper right of the starting position), nine 1x1 pieces, and 1 keeper piece (center of the starting position). Both box tops have the same directions on the underside, that instruct one to move the goat to the middle:
