*Design, copyright, and 3D print by J. A. Storer, 2022..
(plastic, 3 x 4 x 3/8 inches, with cardboard sleeve)*

Two simple puzzles in one. The easier version is to remove the two keepers *and* the s, and then slide the pieces to exchange **Nite** and **Day**; it can be done in 30 *rectilinear moves*. The harder version keeps the s and can be done in 58 *rectilinear moves*.
