

## Coffin's 271A

*Designed and made by Stewart Coffin, 2014.*  
(maple pieces and sides on plywood base, signed on the bottom;  
2.25" high, top edges of walls are 2", balls are 3/4" diameter;  
one of 4 puzzles purchased during a visit with the designer in 2014)

Unpacking requires moving the top two pieces out of the way and removing the bottom one first:
