Century Of Progress

a.k.a. South Pole Expedition
(cardboard box and 13 wood pieces, 4" x 4.75" x 1/2"; directions inside the box top)

Hordern's book presents 37 moves (40 rectilinear moves) to slide EAST to the lower left and 42
moves (44 rectilinear moves) to slide WEST to the lower left; for both solutions, here are the
starting position, each of the positions in after a 2x2 piece moves, and one other position:
