

Rubik 3x3x3 Constrained

a.k.a. *TomZ Constrained Cube, Tom's Constrained Cube*

Purchased from Mefferts, 2012.

(plastic 2.2" square;

TomZ Constrained Cube 90,

TomZ Constrained Cube 180,

TomZ Constrained Cube 270,

TomZ Constrained Cube Ultimate)

Locks in the center allow the corresponding face to only rotate a particular number of degrees. Below is a photo of the 180 degree cube, and also a photo of a second 180 degree cube which came with its blue face set to 90 degrees. The ultimate cube has a mixture of degrees on its faces, including 0 degrees.
